

Gerome the Gnome

CROCHET PATTERN BY

Theresa's Crochet Shop

Welcome!

I hope you will enjoy the creation of this little gnome! Please don't hesitate to contact me at hello@theresascrochetshop.com with any questions that you may have along the way. Have fun!

Meet Gerome The Gnome!

Gerome is 60 years old – so, in gnome years, he is still just a boy. If he lives as long as his great grandparents, Gerome will live for another 325 years! As such a young gnome, Gerome is still a very active little fellow who seeks adventure wherever he goes (which is usually troll-hunting). But his father Graham, who just had his 175th birthday, is starting to slow down a bit and prefers gardening and smoking his pipe.

Materials You Will Need

- Crochet hook size: 3.75mm
- Medium/worsted/aran weight yarn: dark gray, light gray, white, and tan; OR red, white, black, tan, and yellow for a “Santa-gnome;” see page 05 for color changes
- Yarn needle
- Polyester fiber fill stuffing
- Pet slicker brush or fine-tooth comb for brushing out the beard
- Optional: dried beans (not washable) or poly-pellets (washable) for weighing down the bottom of the gnome’s body

Abbreviations

ch – chain

st(s) – stitch(es)

sc – single crochet

dec – sc decrease st (see note 3)

Size

The final measurement for the finished gnome will be 8.5 inches (or 21.5 cm) tall.

Notes

1. This pattern is crocheted in continuous rounds (you will not join each round).
2. In my patterns, I begin each circle with “ch 2, 6 sc in first ch.” Another way of beginning is to start with a magic circle. If you are more familiar with this method, just do 6 sc into your magic circle.
3. Single crochet decrease stitch explanation: Insert the hook into the next stitch and yarn over. Pull a loop through so that there are now 2 loops on the hook. Insert the hook into the next stitch and yarn over. Pull a loop through so that there are now 3 loops on the hook. Yarn over again and pull the loop of yarn through all 3 loops on the hook.

Instructions

Body

With light gray yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

R2: Sc 2 in each st around. (12 sts)

R3: (Sc 1, 2 sc in next st) 6 times. (18 sts)

R4: (Sc 2, 2 sc in next st) 6 times. (24 sts)

R5: (Sc 3, 2 sc in next st) 6 times. (30 sts)

R6: (Sc 4, 2 sc in next st) 6 times. (36 sts)

R7: (Sc 5, 2 sc in next st) 6 times. (42 sts)

*For the following round, if you are crocheting a gnome **without legs**, sc **R8** in the BACK LOOPS ONLY of **R7**. If you are crocheting a gnome **with legs**, sc the stitches as usual.*

R8: Sc 42 in the BACK LOOPS ONLY of the previous round. (42 sts)

R9: (Sc 13, 2 sc in next st) 3 times. (45 sts)

R10-13: Sc 45. (45 sts x 4 rounds)

R14: (Sc 13, dec 1) 3 times (42 sts)

R15: Sc 42. (42 sts)

R16: (Sc 19, dec 1) 2 times. (40 sts)

R17: Sc 40. (40 sts)

R18: (Sc 18, dec 1) 2 times. (38 sts)

R19: Sc 38. (38 sts)

R20: (Sc 17, dec 1) 2 times. (36 sts)

R21: Sc 36. (36 sts)

R22: (Sc 16, dec 1) 2 times. (34 sts)

R23: Sc 34. (34 sts)

Fasten off. If you are not adding legs and crocheted **R8** in the BLO, your finished body will look as shown in Figure 1. If you did not crochet in the BLO, the body will look the same but without the ridge line.

Wait to stuff the body.

Nose

With tan yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

R2: Sc 2 in each st around. (12 sts)

R3-4: Sc 12. (12 sts x 2 rounds)

Figure 1: Finished Body (with R8 in BLO)

R5: (Sc 4, dec 1) 2 times. (10 sts)

Fasten off, leaving a yarn tail for sewing. Stuff the nose with a little bit of stuffing. Sew the nose to the body, 2 rounds down from the top of the body (Figure 2) – the top of the nose will be at **R21** of the body.

Arms (x2)

With tan yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

R2: (Sc 2, 2 sc in next st) 2 times. (8 sts)

R3-4: Sc 8. (8 sts x 2 rounds)

Switch to light gray yarn,

R5: Sc 8. (8 sts)

R6: Dec 1, sc 6. (7 sts)

R7-8: Sc 7. (7 sts x 2 rounds)

Now, before fastening off, stuff the arms. Then single crochet 3 stitches across the top of the arm, through both layers, to close it (Figure 3 & Figure 4). Fasten off, leaving a yarn tail for sewing.

Sew the arms to the sides of the gnome's body, 4 sts back from the nose on either side. Sew on the arms at a slight angle as shown in Figure 5.

Beard

If you're giving your gnome a beard, cut 28 strands of white yarn that are about 10 inches (25 cm) long. If you're giving your gnome braids, skip down to the **Braids** section.

Pull 2 strands of white yarn through a stitch right beside the nose between **R22-R23**, or 1 round down from the top of the body (Figure 6-A). Then pull the ends through the loop to form a knot. Repeat this 2 more times on that side of the nose and 3 more times on the other side of the nose - 6 strands total. Then attach 1 strand per round down both sides of the nose – 4 strands on either side of the nose. Along the bottom of the nose, attach 4 sets of 2 strands each. See Figure 6-B for how all the strands will look once attached.

Figure 2: Nose Placement

Figure 3: Crocheting the Arm Closed

Figure 4: Finished Arm

Figure 5: Arm Placement

Brush these down with your hand and trim to your desired length (Figure 6-C & D).

Now, holding the white beard strands away from the body, brush them out with your amigurumi brush (or pet slicker brush) until they are fuzzy.

This will make the ends uneven, so trim the beard again to get the look you like. (Save these trimmings to stuff the body with, if you like!)

Braids

To attach braids instead of a beard, cut 18 strands of white yarn that are about 10 inches (25 cm) long. Now attach 3 strands at a time to 3 stitches on either side of the nose (Figure 7). Then separate the strands into groups of 3 and braid each side. Secure with a short strand of yarn tied into a bow.

It's now time to stuff the body. Before stuffing, you can pour a handful or two of dried beans (not washable!) or poly-pellets (washable) into the bottom of the body to help the gnome sit up more securely. The gnome **will** sit up without the extra weight, but they help him not tip over as easily. Then stuff the body with your beard/braid trimmings plus enough stuffing to fill the rest of the body.

Hat

With dark gray yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

R2: Sc 6. (6 sts)

R3: (Sc 1, 2 sc in next st) 3 times. (9 sts)

R4: Sc 9. (9 sts)

R5: (Sc 2, 2 sc in next st) 3 times. (12 sts)

R6: Sc 12. (12 sts)

R7: (Sc 3, 2 sc in next st) 3 times. (15 sts)

R8: Sc 15. (15 sts)

R9: (Sc 4, 2 sc in next st) 3 times. (18 sts)

R10: Sc 18. (18 sts)

R11: (Sc 5, 2 sc in next st) 3 times. (21 sts)

R12: Sc 21. (21 sts)

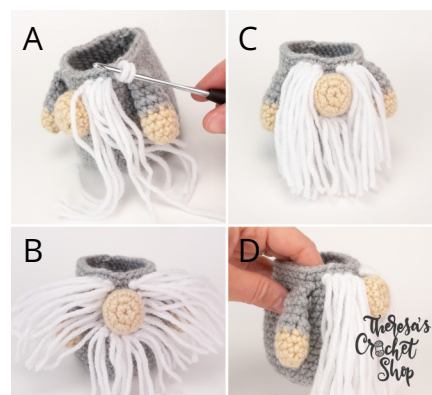

Figure 6: Attaching the Beard

Figure 7: Attaching the Braids

R13: (Sc 6, 2 sc in next st) 3 times. (24 sts)

R14: Sc 24. (24 sts)

R15: (Sc 7, 2 sc in next st) 3 times. (27 sts)

R16: Sc 27. (27 sts)

R17: (Sc 8, 2 sc in next st) 3 times. (30 sts)

R18: Sc 30. (30 sts)

R19: (Sc 9, 2 sc in next st) 3 times. (33 sts)

R20: Sc 33. (33 sts)

R21: (Sc 10, 2 sc in next st) 3 times. (36 sts)

R22: Sc 36. (36 sts)

R23: (Sc 11, 2 sc in next st) 3 times. (39 sts)

R24: Sc 39. (39 sts)

R25: (Sc 12, 2 sc in next st) 3 times. (42 sts)

R26: Sc 42. (42 sts)

R27: (Sc 13, 2 sc in next st) 3 times. (45 sts)

R28: Sc 45. (45 sts)

Fasten off, leaving a yarn tail for sewing. Stuff the hat lightly so it will still bend easily. Place the hat on your gnome's body and pull it down so that the hat rests on the top of the nose. Thread your yarn tail onto your yarn needle and weave it through the hat to 2 rounds above the bottom of the hat (Figure 8). Then insert your needle down through the hat, into the body, and up a few stitches over. Do not pull your stitches too tightly so that they do not show on the top of the hat. Refer to Vid #3 linked on the Materials page for a video explanation of sewing on the hat. When sewing the hat over the nose, grab a stitch on the back of the nose as you're sewing to ensure that the hat will rest on top of the nose (Figure 9). When you have finished sewing all the way around, secure your strand with a knot and weave in the end.

If you will not be adding legs, your gnome is finished! To add legs, continue as follows.

Legs (x2) - Optional

Note: if you would like to do striped legs, switch colors every 3 rounds, making sure to keep the color changes in a straight line so you can hide them at the back of the legs.

With dark gray yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

Figure 8: Sewing on the Hat

Figure 9: Sewing the Hat to the Nose

R2: Sc 2 in each st around. (12 sts)

R3-4: Sc 12. (12 sts x 2 rounds)

R5: (Sc 2, dec 1) 3 times. (9 sts)

R6: Sc 9. (9 sts)

Stuff the foot. Switch to light gray yarn,

R7-24: Sc 9. (9 sts x 18 rounds)

Wait to fasten off. Use a stuffing tool to stuff the legs lightly or leave them un-stuffed if you prefer; you want them to bend easily into a sitting position. Then single crochet 4 single crochet stitches across the top of the leg, through both layers, to close it. Fasten off, leaving a yarn tail for sewing.

Sew the legs on either side of the beginning circle of the gnome's body. Sew 4 rounds up on the legs so that the legs lay flat (Figure 10).

"Santa-gnome" Color Changes

To make a Santa-inspired gnome, make the pattern as written above with these color changes:

Body

R1-12: make with red yarn

R13-14: make with black yarn

R15-23: make with red yarn

Sew yellow stitches over the middle of the front of the black stripe around the gnome's body to make a belt buckle.

Arms

R1-4: make with tan yarn

R5: make with white yarn

R6-8: make with red yarn

Hat

R1-25: make with red yarn

R26-28: make with white yarn

Plus add a white pom-pom or crocheted ball, as written below:

White Ball on Hat

R1: Ch 2, 6 sc in first ch. (6 sts)

Figure 10: Leg Placement

Figure 11: Santa's Belt Buckle

Figure 12: Finished Santa Gnome

R2: (Sc 1, 2 sc in next st) 3 times. (9 sts)

R3-4: Sc 9. (9 sts x 2 rounds)

R5: (Sc 1, dec 1) 3 times. (6 sts)

Legs

R1-6: make with black yarn

R7-8: make with white yarn

R9-24: make with red yarn

And there you go, you are finished! Thank you so much for joining me in making a gnome! Enjoy!
