Materials You Will Need

- Crochet hook size: 5mm
- #6 super bulky weight yarn (see **Note** below for #7 jumbo yarn instructions): gray* for the body and arms (45 yards needed), dark gray for the hat (38 yards needed), and peach for the nose and hands (10 yards needed) OR red, white, black, tan, and yellow for a “Santa-gnome;” see page 05 for Santa color change instructions
- #4 medium weight yarn: white (9 yards needed)
- Yarn needle
- Polyester fiber fill stuffing
- Fine-tooth comb for brushing the beard

**I used Premier’s Parfait Chunky in “Seal,” “Pale Gray,” and “Shell”*

Note: To make this gnome pattern with **#7 jumbo** weight yarn, use an **8mm** crochet hook. You will need the following yarn amounts: body and arms (80 yards needed), hat (75 yards needed), and flesh color (15 yards needed). I used Sweet Snuggles yarn, and needed less than 1 skein of each color to make 1 jumbo gnome. The only change necessary to the pattern when working with jumbo yarn is to add more strands to the beard/braids, which is explained in the beard instructions.

Abbreviations

ch – chain

st(s) – stitch(es)

sc – single crochet

dec – sc decrease st (see note 3)

Size

Final measurement for the finished plush gnome is 11 inches (or 28 cm) tall. With jumbo weight yarn, the finished gnome will be 20 inches (or 50 cm) tall.

Notes

1. This pattern is crocheted in continuous rounds (you will not join each round).
2. In this pattern, I begin each circle with “the ch 2 method.” Another way of beginning is to start with a magic circle. If you are more familiar with this method, do 8 sc (or whatever number is specified) into your magic circle.
3. Single crochet decrease stitch: insert your hook into the next stitch in the round and yarn over. Pull a loop through so there are now 2 loops on the hook. Insert the hook into the next stitch and yarn over. Pull a loop through so there are now 3 loops on the hook. Yarn over again and pull the loop of yarn through all 3 loops on the hook.

Instructions

Body

With light gray yarn,

R1: Ch 2, 8 sc in first ch. (8 sts)

R2: 2 sc in each st around. (16 sts)

R3: (Sc 1, 2 sc in next st) 8 times. (24 sts)

R4: (Sc 3, 2 sc in next st) 6 times. (30 sts)

R5: (Sc 4, 2 sc in next st) 6 times. (36 sts)

R6: (Sc 5, 2 sc in next st) 6 times. (42 sts)

R7: Sc 42 in the BACK LOOPS ONLY of the previous round. (42 sts)

R8: (Sc 13, 2 sc in next st) 3 times. (45 sts)

R9-12: Sc 45. (45 sts x 4 rounds)

R13: (Sc 13, dec 1) 3 times (42 sts)

R14: Sc 42. (42 sts)

R15: (Sc 19, dec 1) 2 times. (40 sts)

R16: Sc 40. (40 sts)

R17: (Sc 18, dec 1) 2 times. (38 sts)

R18: Sc 38. (38 sts)

R19: (Sc 17, dec 1) 2 times. (36 sts)

R20: Sc 36. (36 sts)

R21: (Sc 16, dec 1) 2 times. (34 sts)

R22: Sc 34. (34 sts)

Fasten off. Wait to stuff the body.

Nose

With tan yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

R2: Sc 2 in each st around. (12 sts)

R3-4: Sc 12. (12 sts x 2 rounds)

R5: (Sc 4, dec 1) 2 times. (10 sts)

Fasten off, leaving a yarn tail for sewing. Stuff the nose with a little bit of stuffing. Sew the nose to the body, 1 round down from the top of the body (Figure 1).

Figure 1: Nose Placement

Arms (x2)

With tan yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

R2: (Sc 2, 2 sc in next st) 2 times. (8 sts)

R3-4: Sc 8. (8 sts x 2 rounds)

Switch to light gray yarn,

R5: Sc 8. (8 sts)

R6: Dec 1, sc 6. (7 sts)

R7-8: Sc 7. (7 sts x 2 rounds)

Now, before fastening off, stuff the arms. Then single crochet through both layers across the top of the arm, 3 single crochet stitches across to close it (Figure 2 & Figure 3). Fasten off, leaving a yarn tail for sewing.

Sew the arms to the sides of the gnome's body, 2 sts back from the nose on either side. Sew on the arms at a slight angle as shown in Figure 4.

Beard

If you're giving your gnome braids, skip down to the **Braids** section. If you're giving your gnome a beard, cut about 30 strands of medium weight acrylic white yarn that are about 11 inches (28 cm) long. You will attach 2 strands at a time to the body to create the beard.

If you're using **jumbo weight yarn**, cut about 64 strands of white yarn that are about 17 inches (43 cm) long. You will attach 3 strands at a time to the body to create the beard.

Pull 2 (or 3 for a jumbo gnome) strands of white yarn through a stitch right beside the nose between **R21-R22** (Figure 5). Then pull the ends through the loop to form a knot. Repeat this 2 more times on that side of the nose and 3 more times on the other side of the nose - 6 strands total. Then attach 2 strands per round down both sides and along the bottom of the nose. Cut and attach more strands if the beard does not look full. Brush the strands down with your hand and trim to the desired length.

Figure 5: Attaching the Beard

Now, holding the white beard strands away from the body, brush them out with a fine-tooth comb.

This will make the ends uneven, so trim the beard again to get the look you like (Figure 6). (Save these trimmings to stuff the body with if you like!)

Braids

To attach braids instead of a beard, cut 36 strands of white yarn that are about 11 inches (28 cm) long. If using **jumbo weight yarn**, double this number of strands and cut them to about 17 inches (43 cm) long.

Now attach 6 strands at a time (by pulling 6 of the strands through 1 stitch) to 3 stitches on either side of the nose (Figure 7). Then separate the strands into groups of 3 and braid each side. Secure with a short strand of yarn tied into a bow.

Now firmly stuff the body with your beard/braid trimmings plus enough stuffing to fill the rest of the body.

Hat

With dark gray yarn,

R1: Ch 2, 6 sc in first ch. (6 sts)

R2: Sc 6. (6 sts)

R3: (Sc 1, 2 sc in next st) 3 times. (9 sts)

R4: Sc 9. (9 sts)

R5: (Sc 2, 2 sc in next st) 3 times. (12 sts)

R6: Sc 12. (12 sts)

R7: (Sc 3, 2 sc in next st) 3 times. (15 sts)

R8: Sc 15. (15 sts)

R9: (Sc 4, 2 sc in next st) 3 times. (18 sts)

R10: Sc 18. (18 sts)

R11: (Sc 5, 2 sc in next st) 3 times. (21 sts)

R12: Sc 21. (21 sts)

R13: (Sc 6, 2 sc in next st) 3 times. (24 sts)

R14: Sc 24. (24 sts)

R15: (Sc 7, 2 sc in next st) 3 times. (27 sts)

R16: Sc 27. (27 sts)

R17: (Sc 8, 2 sc in next st) 3 times. (30 sts)

Figure 6: Beard Fully Attached

Figure 7: Attaching the Braids

R18: Sc 30. (30 sts)

R19: (Sc 9, 2 sc in next st) 3 times. (33 sts)

R20: Sc 33. (33 sts)

R21: (Sc 10, 2 sc in next st) 3 times. (36 sts)

R22: Sc 36. (36 sts)

R23: (Sc 11, 2 sc in next st) 3 times. (39 sts)

R24: Sc 39. (39 sts)

R25: (Sc 12, 2 sc in next st) 3 times. (42 sts)

R26: Sc 42. (42 sts)

R27: (Sc 13, 2 sc in next st) 3 times. (45 sts)

R28: Sc 45. (45 sts)

Fasten off, leaving a yarn tail for sewing. Stuff the hat lightly so it will still bend easily. Place the hat on your gnome's body and pull it down so that the hat rests on the top of the nose. Thread your yarn tail onto your yarn needle and weave it through the hat to 2 rounds above the bottom of the hat. Then insert your needle down through the hat, into the body, and up a few stitches over (Figure 8). *Refer to Vid #3 linked on the Materials page for a video explanation of sewing on the hat.* Do not pull your stitches too tightly or they show on the top of the hat. If you do pull a stitch too tightly, simply loosen it by pulling on it with your yarn needle. When sewing the hat over the nose - **this is important!!** - grab a stitch on the back of the nose as you're sewing to ensure that the hat will rest on top of the nose (Figure 9). Otherwise there will be a space between the nose and the hat which will not have the desired gnome-look.

Just before you finish sewing on the hat, add more stuffing as needed to the top of the body or the bottom of the hat. Then, when you have finished sewing all the way around, secure your strand with a knot and weave in the end.

And there you go, you are finished! Thank you so much for joining me in making a plush gnome! Enjoy!
